

Walks and environment

We have two lovely walking trails for you to explore:

- a short walk that's just 1.5 miles (2.4km) long, which is suitable for pushchairs and wheelchairs.
- a longer 4.5 mile (7.3km) walk for those wanting a bit more exercise.

The longer walk will take you past our conservation area where there's also two bird hides for you to use.

Tramper mobility scooters are available to hire and can be booked in advance - £2.50 for three hours. Call **01538 300563**.

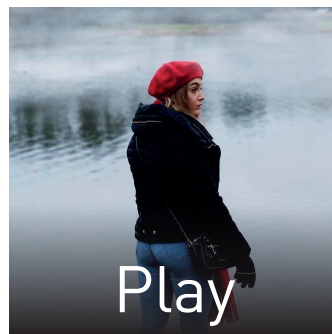

Children and watersports

We have a great playground for children to explore, complete with zip wire and sand pit.

There's also a watersports centre on site that offers:

- Paddlesports
- Team building
- Fishing and much more.

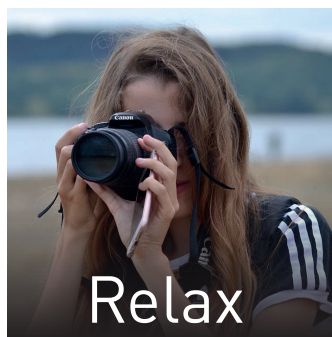

You can contact the watersports centre at **enquiries@tittesworthwater.co.uk** or call **01538 300741**.
